

Socks in a box

The aim of the game is to pair up as many socks as you can and throw into a target (e.g. box, draw, bowl)

- 1) Place as many unpaired socks at least 5 steps away from the target
- 2) Match up the socks as quickly as you can
- 3) Throw the paired socks into the target

Simplify

- Stand closer to the box
- Socks don't need to be paired up

Progression

- Pair socks using one hand only
- Increase distance from the box
