

Year 3 Newsletter

Monday 18th May 2020

Hello from Mrs van der Rest & Mrs Spiers

Hello again Year 3! This is now our 5th Newsletter! We hope that you have had fun this week.

We would like to say a very well done to all our parents and children who have worked very hard this half term. It has been a tough time for us all and we hope you celebrate your success and have a good rest over the half term break.

Have a restful half term break everyone! 😊

Best Birthday Wishes to: Hayden who will be celebrating his birthday in half term!

Weekly Puzzle

Last week's answer was... **There are no stairs because it is a bungalow!** Well done to Laura, Mannat and Ynette who guessed it correctly this week!

This week we have a riddle again from Mrs Spiers who asks:

What can you hold in your right hand but not in your left hand?

Answers to riddles as well as photos, work, questions and other things you would like to share can be sent to our year group email.

Year Group Email

We are busy reading and responding to emails from both classes, which is fantastic! We have continued to receive work as well as many photos of what you have been doing. Very well done to all of you and keep sharing your wonderful learning!

GHPSYear3@gbps.bracknell-forest.sch.uk

This week's learning

Maths

This week we will focus on multiplication and division. There are daily lessons on PowerPoints and worksheets for you to do with the answer sheets on our webpage. The lessons have been separated into one per day so you can be organised.

Reading

This week reading is based on a poem called Rathers. There are five numbered PowerPoints for you to complete one per day. Happy Reading everyone!

Writing

This week we are continuing with mystery writing. We are now going to be creating a 'writer's Toolkit' on Monday, write the beginning on Tuesday, write the middle on Wednesday and write the end of the story on Thursday. On Friday, we will be evaluating and editing our work. There is a daily lesson and a set task for each day.

Topic

This week we are going to be learning Geography! There is a PowerPoint lesson every day and daily lessons and activities to complete.

Mathletics Certificates

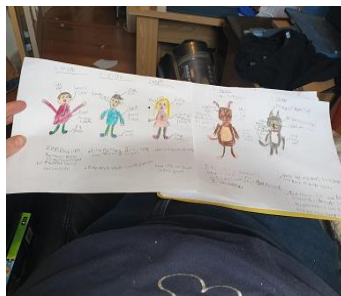

This week we are awarding the following certificates:

Silver – Sanath, Sheetal, Laura

Bronze – Lacey, John, Frankie, Ynette, Sebastian K, Jimmie, Prabesh, Gabriella, Ben and Mollie.

Well Done Everyone!

This week our photos come from; Josh who is enjoying playing a word game with his sister, what a fabulous way to spend time together! Riley has also been working hard on character development, and has created some annotated artwork to show them off. What a fabulous way of combining Art and English Riley! We have a lovely photo from Frankie who enjoyed celebrating VE Day, looks like a yummy picnic Frankie! We hope you all had some amazing celebrations! We have another example of some brilliant artwork this week from Taylor, who has made a bright diamond art picture. Looks like it took a long time Taylor, a remarkable job well done! This week has been full of fantastic learning and achievements, which is so exciting! Well done everyone, fabulous work! ☺

Home Learning and activities you may like to try AFTER you have finished your work:

<https://www.thenational.academy/online-classroom/year-3#subjects>

More lessons from The Oak Academy – English, Maths, PE and Foundation Subjects.

<https://www.bbc.co.uk/bitesize/collections/primary-games/1>

Many educational, interactive games to play!
