

Year 3 Newsletter

Monday 11th May 2020

Hello from Mrs van der Rest & Mrs Spiers

Hello again Year 3! We hope that you have had fun this week. We have really enjoyed speaking with most of you on the phone and finding out about all the fabulous projects, exercise, documentary watching and arts and crafts that you have been doing. It has been lovely to hear (and see from emails) how hard you have all been working and that you are finding creative ways of keeping busy and active. There has been a lot of fabulous Maths work, Topic, Writing and Reading going on, well done everyone! ☺

Best Birthday Wishes to: Mannat who is celebrating her birthday at home this week.

Weekly Puzzle

Last week's answer was... **Are you asleep yet!** No one guessed it correctly this week!

This week we have a question from Mrs Spiers who asks:

In a bungalow there lived a lady who loved the colour yellow. The walls were yellow. The doors were yellow. Even the furniture is all yellow. The house even has yellow ceilings! So what colour are the stairs?

Answers to riddles as well as photos, work, questions and other things you would like to share can be sent to our year group email.

Year Group Email

We are busy reading and responding to emails from both classes, which is fantastic! We have continued to receive work as well as lots of photos of what you have been doing. Very well done to all of you and keep sharing your wonderful learning!

This week's learning

Maths: This week we will focus on. Money! There is a PowerPoint guide for your parents and worksheets for you to do. The lessons have been separated into one per day so you can be organised.

Reading: This week reading is Peter Rabbit. There are five numbered PowerPoints for you to complete one per day. Happy Reading everyone!

Writing: This week we are continuing with mystery writing. Focussing on characters and settings as well as verb and adverbs. There is parent guidance and activities for each day.

Topic: This week we are going to be learning French, PSHE and Science! There is a PowerPoint guide for your parents and numbered lessons and activities to complete.

Last week we shared the link to watch the animals at Marwell zoo. This week we have links to other resources from the zoo.

Mathletics Certificates

This week we are awarding the following certificates:

Silver: Laura, Sheetal, William and Sebastian K

Bronze: Leah-Rose, Nicoletta, Antonina, Mannat, Prabesh, Ben, Ollie, Laura, Mollie, John, Jimmie, Troy, Gabriella and Evie.

This week our photos come from; **Laura** who has been using maths skills to bake pyramid and fairy cakes. She also received a medal for cycling over 50 miles! Well done Laura, you must be exhausted! Lovely to see such imaginative learning! We also have a photo from **Bella** who has had her writing published! What an absolutely amazing achievement, well done Bella! **Evie** has sent in a photo of the sunflower she planted. It has just started growing; we look forward to seeing how tall it gets! **Olly** has been working hard on a space project and has made some fabulous junk model space ships, excellent recycling Olly, they look fabulous...do they work? **Amelia** has been busy learning whilst on her daily exercise. She has collected newts to look at. She also learned that they are amphibians! **Margarida** has been learning how to do cross stitch, what a fabulous new skill to learn! **Mary and her sister Grace**, made Stone Age houses this week. What a great project, well done girls, they turned out really well! We also have a photo from **Johnny** of his rabbit riding on his skateboard! Looking after an animal is a great learning experience. This week has been full of fantastic learning and achievements, which is so exciting! Well done everyone, fabulous work! ☺
