Hello from Mrs van der Rest & Mrs Spiers

Hello again Year 3! This is our first newsletter after the half term break! We hope that you have had a lovely, restful half term and are full of energy for our next term's learning.

It has been lovely to hear (and see from emails) how hard you have all been working and that you are finding creative ways of keeping busy and active. There has been a lot of fabulous Maths work, Topic, Writing and Reading going on, well done everyone!

Weekly Puzzle

Last week's answer was... **Your left elbow!**
Well done to Laura who guessed it correctly this week!

This week we have a question from Mrs Spiers again who asks:

What has teeth but cannot chew?

Answers to riddles as well as photos, work, questions and other things you would like to share can be sent to our year group email.

Year Group email

We are busy reading and responding to emails from both classes, which is fantastic! We have continued to receive work as well as many photos of what you have been doing. Very well done to all of you and keep sharing your wonderful learning!
