## This week's learning

**Maths:** Continuing our work on decimals. This week we move onto hundredths and dividing one and two digit numbers by 10 and 100.

**Reading:** Read the article 'Pet Care of a Bearded Dragon' and answer the comprehension questions. Complete the Fiction Reading Assessment. There is a question booklet and mark scheme so you can check your answers.

**Writing:** This week you are going to write an explanation text explaining what light is and how we classify objects using light.

**Science:** Properties of light. Read through the information, completing the activities as you go along. The learning then ends in a quiz and a fun scavenger hunt! After you have completed the PowerPoint, there is a science investigation for you to complete.

This week we are awarding the following certificates:

**Silver:** Tillie and Reggie

**Bronze:** Maisie B, Taliya, Dylan, Oliver Hu., Amelia M, Aaron, David, Lilly, Jaden, Nathan, Keira and Mark
