

Year 6 Newsletter

Monday 27th April 2020

Hello from Mrs Ajewole & Mrs Pesani

Well done to everyone that engaged with last week's learning. We loved looking through the photos of the interesting places that you've been reading and chosen some to share with you all. We are continuing with our World War II topic and learning a new concept in Maths this week.

Have fun with the activities and we look forward to seeing the tasks as you complete them.

Get in touch via the email address below or via Google Classroom.

Weekly Puzzle

This week's puzzle has been set by Mrs Pesani. If you would like to set next week's puzzle please email us.

Find a route from 'start' to 'end' to give the total 100.

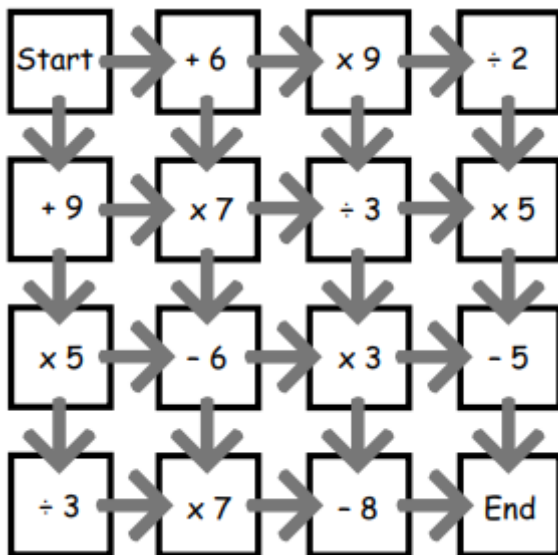

Photo Challenge

Where are you exercising? We're setting a photo challenge in which you can show us some of the ways that you've been keeping active during this time. We will share some of the best entries in our next newsletter.

Email your entries to

This week's learning

Maths

I can find the mean

See the PowerPoint for instructions along with the resources to support you. This is a new concept but if you follow the steps you will be fine.

Reading

I can answer a range of comprehension questions.

Read through the text titled Evacuation – for and against and answer the questions. Challenge: Can you come up with your own 3-mark question? Email them to us and we can share some with the rest of the year to have a go at.

Writing

I can write a setting description

See the PowerPoint for instructions along with the resources to support you. The clip is based on the Blitz – a significant event during WW2 where Germany bombed London every night for 11 weeks destroying one third of London.

History

I understand why Britain declared war on Germany
