caterlink
feeding the imagination

Caterlink is an award-winning food service provider catering for primary schools across the country.

We are passionate about providing your children with freshly prepared school lunches that are true to our fresh food heritage. All our menus are nutritionally analysed to ensure they meet and, in most cases, exceed The School Food Standards by our nutrition team. We are committed to constantly reviewing our menus and recipes to ensure they are healthy. We have reduced sugar in our desserts to below the 6.5g recommendations by Public Health England and have been recognised as leading the way by SUGAR SMART UK. We have also introduced a number of plant-based recipes to our menus and meat free days to support the sustainability aspects of our offer.
