

## News this week...

### Programming with the Hedgehogs

In Hedgehogs the pupils have used the ScratchJr app to create programs. They have been learning that sequences of commands have an outcome and have made predictions based on their learning.

### Foxes at the Beach!

On Wednesday Foxes class enjoyed their trip to Littlehampton. They visited and learned about the RNLI and had fun waving at the boats on the river, playing in the sand and visiting the longest bench.

### Year 3, 4 and 5 Create Day

On Tuesday, children in KS2 enjoyed a day filled with online interactive dance, movement and creativity taking part in Create Day 2025 with the Royal Opera House.

## Reception Sponsored Walk and Celebration Afternoon

On Wednesday our Butterflies classes took part in a sponsored walk to try to raise some money for some new markings on their outside play area.

In the afternoon, they invited parents and carers to come along and look at their work (and to have some yummy cake and lemonade too!)

Thank you to everyone for your amazing support – we'll be announcing the total raised very soon!

## Year 6 Legoland Trip

Children in Year 6 enjoyed a visit to Legoland this week and had a GREAT day having lots of fun in the sun!

Thank you for your continued support and have a relaxing weekend!

## Attendance Stars

Classes with the highest attendance this week:

1<sup>st</sup> Place – Blue Butterflies (96.7%)

2<sup>nd</sup> Place – Hedgehogs (95.9%)

3<sup>rd</sup> Place – Red Butterflies (94.5%)

## Community Learning

School's (nearly) out, but not for the community learning team – they have a new set of employability skills courses launching on Monday 14 July!

They offer courses that may interest to parents looking to return to work or considering a career change – maybe something to fit around school hours? There are courses in Maths, English, Paediatric First Aid, Working in a School and a range of BTEC courses to name just a few. Brush up courses in Microsoft Word, Excel and PowerPoint can also offer a great confidence boost.

More information can be found on the community learning webpage: [www.bracknell-forest.gov.uk/community-learning](http://www.bracknell-forest.gov.uk/community-learning)
