

Easter Egg Hunt and Easter Bonnet Competition

Have you brought your tickets yet? Tickets must be purchased in advance, either from the school office before 23rd March or online at <https://www.charity-hub.co.uk/friendsofgreathollandsschool>

As in previous years, there is also a Decorate an Easter Bonnet Competition running, which will be judged on the day. Plain hats can be purchased for £1.50 each.

Please see the flyers later in the newsletter for full details of both events.

Successful SATs Preparation for our Super Year 6!

This week, our fantastic Year 6 pupils completed their practise SATs and we could not be prouder of them. They approached each day with determination, resilience and a wonderfully positive attitude. The children took everything in their stride and showed just how ready they are for the challenges ahead – well done, Year 6!

British Science Week

On Wednesday, we held an assembly to introduce British Science Week and to encourage children to think about the importance of curiosity in science. We discussed how scientists start by asking questions about the world around them and possible answers.

We would love the children to share their own “curious questions.” If there is something they have always wondered about, they are encouraged to bring their question to Miss Hawkins.

You can also help nurture curiosity at home by talking about your child's questions, exploring the outdoors together, or trying simple science activities using everyday items.

We look forward to hearing the fantastic questions and discoveries our young scientists make!

Thank you for your continued support and have a relaxing weekend!
