Important – Water Bottles in School

Please make sure that your child has a water bottle in school which they will access throughout the day. We do ask that you do not send in your child with water in other types of containers, e.g. used PRIME bottles, as this causes confusion.

Safety Alert

Following a report in the local area of an unknown adult approaching and speaking to young people, we have notified the local police who will be showing an increased presence, purely as a precautionary measure.

New Key Stage 1 Play Equipment

We are very excited to announce that the installation of our new play equipment in Key Stage 1 will begin on Thursday next week!

The works should take about a week to complete and although there will be no impact on collection or drop off arrangements, we do ask that you continue to keep your children with you at all times while on site.

Can we also take this opportunity to also remind parents that all of our play equipment is only for use by pupils during the school day and children should not be allowed on it before or after school.
