

This week's news...

The swimming pool is almost ready for Year 5/6 children to begin their lessons next week. Thank you to everyone who has completed our online form. Swimming is an important part of the curriculum and we are very pleased that we can offer all our Key Stage 2 pupils the chance to learn this important life-saving skill.

Safety on the School Site

Thank you to all the parents and carers who keep their children with them when on our playgrounds before and after school. However, we have noticed a few children running ahead or playing on the fields recently. Please make sure that you keep all your children with you when on the school site so we can make sure we keep everyone safe.

Competitions Reminder

There are a couple of competitions running at the moment but the deadlines for them is fast approaching!

Pride of Bracknell Design a Bank Note

This competition is to design a new bank note, thinking about how they may look with King Charles III on them. Templates are available from the school office and entries must be with us by **Thursday 9th February**.

The Big Green Poetry Machine

Children can write a poem in any style they wish and can link to the environment in whichever way they choose, from litter, pollution and wildlife, sustainability, conservation or exploring nature. There are entry sheets available from the school office, please return them to school by

Monday 6th February.

We have attached entry sheets for both these competitions to the email containing this newsletter.

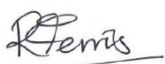

Safer Internet Day

Tuesday 7th February is Safer Internet Day, and the theme is 'Want to talk about it? Making space for conversations about online safety'. This is a global campaign to raise awareness of internet safety (particularly online gaming and social media), promoting positive and responsible usage. In school we will be discussing online safety with the children, and they will be completing age-appropriate tasks during the afternoon on Tuesday.

More information about Safer Internet Day can be found at: <https://saferinternet.org.uk/safer-internet-day/safer-internet-day-2023/top-tips-for-parents-and-carers>

There are also lots of links to informative sites for parents on our website: [Parents>Online Safety](#).

Wishing you all a relaxing weekend.

Richard Ferris
Headteacher
