Dear Parents and Carers

Welcome back to a new school year. I hope your child has settled well into their new class and is enjoying their new topics for this term.

Please make every effort to attend the new welcome meetings – we are running them in the day and the evening for each year group. Attendance has varied, with some very busy and some quieter ones. You will also be receiving a newsletter from your child's Phase Leader, outlining the details you need to know about life in that area of the school. Phase leaders each look after the day to day running of a section of the school, if you have any questions that your class teacher is unable to help with, then they will be very happy to help you. Our Phase Leaders are:

- Foundation Stage – Mrs March
- Years 1 & 2 – Miss Estcourt
- Years 3 & 4 – Mrs Thomas
- Years 5 & 6 – Miss Flight

Our Brilliant New Classrooms

Over the summer, the building team worked hard to make sure the new classroom spaces were ready for the start of term. The new areas look amazing and have made us feel excited about what the school will look like when the next building phase is completed for the start of next September. We are very fortunate to have this investment made into the school and although at times the works can be disruptive, we have gained so much from the development.

Your Views Are Important

Accompanying this newsletter is our School 'Parent Questionnaire'. Please help us by filling it in. Your views help us understand what we are doing well and where we need to improve.

It is likely that sometime this year the school will be inspected by Ofsted. As part of the process inspectors will read your views of the school on the parent view website (link below). Please register and complete the 12 questions online, especially if you are pleased with what the school is doing as people often forget to fill it in when things are going well. <https://parentview.ofsted.gov.uk/login?destination=give-your-views>

Feedback

As always there is a feedback form attached to the newsletter – I read each and every one that is completed and they really do help the school plan for the future.

Thank you for your continued support and encouragement.
