

My name is Sarah Tranter and I am the Family Support Adviser for Great Hollands Primary School.

Family Support Advisers are here to support you and your child to get the best from school.

I offer support, information and advice for children, parents, carers and their families through:

- Offering one to one support to parents, carers and children
- Listening to parents and carers and giving confidential support and guidance
- Providing information about other relevant services in Bracknell Forest
- Supporting parents and carers with their own learning opportunities
- Providing access to parenting programmes
- Putting parents and carers in touch with support groups
- Providing emotional support to pupils in class

You might want to use the Family Support Adviser for issues like these:

- 'My child's behaviour is getting out of hand'
- 'I have lots of questions about being a parent'
- 'I'm worried about the next parent's evening'
- 'I just need someone I can talk to'
- 'Since my partner left me things haven't been the same'
- 'I'm really worried about my daughter's schooling this year. Her self-esteem is a problem'
- 'I'm having problems with my finances'

If you would like advice or support on any issue, or would like an informal chat, I am at Great Hollands School daily and can be contacted through the school office on 01344 424911 or by email to [FSA@ghps.bracknell-forest.sch.uk](mailto:FSA@ghps.bracknell-forest.sch.uk)
