Dear Parents and Carers,

Thank you for making the start of school a success for the children. We had a smooth start this morning – to help us please note the following:

All parents:

Please protect the people who will be looking after your children. Do not go up to the classroom door – you must remain at least 2m away from our staff at all times. Do not enter yellow hatched areas or cross the yellow lines.

We have hand sanitiser in class which is monitored by adults – please do not send your child into school with hand sanitiser ... it is 80% alcohol.

Years 5/6:

When arriving at school please come forward and spread out along the blue 2m distancing markers. The children will practice this today at school. If possible, send your child to wait independently on the markers by their classroom doors and either leave or if you wish to wait move right back away towards the grass to leave the main pathway route clear.

The school gates will open just before 8.40 please do not arrive in the area before this time as you will cause congestion on the pavements.

The children will leave school **at 3.00pm** – if you are collecting please wait away from the buildings and windows and your child will walk over to you.

Years 3/4:

Please do not arrive on site **until 8:50 at the earliest**, as if you do there will be too many parents on site at one time. Please wait in the areas outside the class doors and spread out, rather than making a long straight line as this blocks the walkway behind for other parents. The children will practice this today at school.

Collection is at 3:10 to 3:15. Please do not arrive before this time as years 1&2 will be leaving from 3.00 to 3:05 and you will cause congestion. Please spread out on the distance markers by the classrooms and your child will be sent out to you. Please keep away from the school buildings / windows at all times.

Years 1/2:

When arriving at school please come forward and spread out along the 'shape' distancing markers, rather than making a long straight line as this blocks the walkway behind for other parents. The children will practice this today at school.

The school gates will open just before 8.40 please do not arrive in the area before this time as you will cause congestion on the pavements.

Collection is at 3:00. Please spread out on the distance markers by the classrooms and your child will be sent out to you. Please keep away from the school buildings / windows at all times.

Reception parents

When you start full time - please do not arrive before 8:50 as this will cause congestion with the children entering years 1 and 2. Collection time is 3:10.

Thank you for your continued support.
