

Weekly Update

Friday 4th September

Welcome Back to School!

It has been GREAT to welcome all the children back into their new classes. They are settling in very well and adapting to the new routines in and around our school. We would like to thank you for all your efforts in helping us keep our school site safe for our whole school community.

Weekly Announcements

Every week we celebrate the children's achievements. This includes announcing the class with the highest attendance and the house with the most points, amongst other things. We publish these results in our bulletins and are excited for the competition this year. Good luck everyone!

Keeping You Updated

Every Friday, we will send home a brief weekly bulletin to give you the latest up to date information from our school.

Once a month, we will send home a longer, more detailed newsletter containing lots of fabulous details about the GREAT work and achievements of our pupils.

You can also follow us on twitter
<https://twitter.com/MEGreatHollands>

It is our aim to keep you as informed as possible, please check our website at www.greathollandprimary.co.uk for the latest updates.

ParentPay and SCOPAY

We would like to remind parents that we have two separate sites for making payments to the school.

NEW! www.scopay.com is the site to order and pay for school lunches for your child. You should have by now received your account activation information.

www.parentpay.com is the site to pay for trips, workshops, after school and morning club, etc. If you have not yet registered on ParentPay, you should be receiving a letter home over the next couple of weeks with information on how to create and activate your parent account.

If you need assistance with either ParentPay or SCOPAY, please contact the school office who will do their best to assist you.

Dates for the Diary

Please note that the school photographer will be in school this month, on **Wednesday 23rd (individuals)** and **Thursday 24th (siblings)**.

Thinking and Learning Together
