## Smoking & Swearing

11<sup>th</sup> February 2020

Dear Parents and Carers

Some of our pupils and parents have asked me to write to you as they have two big concerns, namely adults smoking and or swearing near them.

Whilst I understand everyone has the right to smoke, I am asking you to consider your actions in respect to the impact it is having on other children and parents who have to walk past in order to get in or out of the school grounds.

In addition, can I ask you to be mindful of the language you use when on or near school grounds or whilst near children on their journey to / from school?

The children have asked me to tell you that they do not like it and would like you to set a good example to them.

On behalf of the children, thank you for your support and understanding in this matter.

Yours sincerely

Richard Ferris
