Dear Parent/Guardian

## Annual School Survey

It is the time of year when we ask parents and pupils in every Maiden Erlegh Trust school to participate in our annual surveys.

We are very grateful for all of the parents and pupils who take the time to fill the questionnaires in every year. The feedback is overwhelmingly positive and constructive which is very encouraging - it is always good to know what our schools are doing well, and what you would like us to keep doing. We very much appreciate your constructive comments on what we can do to make things even better, however.

Your views are extremely important and make a real difference. They feed into school improvement planning which will start shortly in preparation for next year. Once the survey has been completed and analysed, Mr Ferris will feed back to you via the website. You can see the Great Holland's feedback from last year [HERE](#).

Mr Ferris and I would very much appreciate it if you could spare some time to fill in the parent survey. The surveys are not long and they are anonymous.

- Parents, please use this link: <https://www.surveymonkey.co.uk/r/GHPSParents2020>

If you have any problems with the above links or would like a hard copy of the survey, please do not hesitate to contact reception.

All the pupils will get the opportunity to complete a survey in school.

I would like to thank you in advance for your family's support with these surveys. **Please note that they will close on Friday 27 March 2020.**

Yours sincerely
