

23rd April 2020

Dear Parents and Carers,

I hope that everyone in your family is staying safe and well.

The unprecedented times that we faced before the Easter break continue, and as a result, we currently have no timeline for when we will be returning to school normality.

I have been hearing of some wonderful examples of learning, kindness and GREAT behaviour happening at home and I want to say well done to all the children who have been doing their best to help the grown-ups by trying their very best.

Please be aware that during school closures calls from the school will often appear as "no-caller ID".

In the coming days your child's teacher will be calling home to say hello and check how you and your child are. So look out for a call from a NO CALLER ID number.

If you don't want a call please let the school office know and they can pass this on to the teacher.

As ever, I continue to review any feedback on how we can make improvements to the home learning of our pupils. We have always been a GREAT team and this continues even in these different times.

Please just remember ... whatever you are doing ... you are doing your best in a difficult situation and that's all you can do.

Keep safe

Richard Ferris
Headteacher
