Dear Parents and Carers,

As you know, schools are currently planning for widening provision to allow pupils in **EYFS, Year 1 and Year 6** to return to school.

The government's ambition is to start this from early June, subject to various criteria being met.

Following my [letter sent on Monday](#) outlining the steps we will take to lessen the risks from COVID-19 if we reopen the school to more children, it would now be very helpful to know if you intend to send your child to school.

I am asking parents of pupils in Nursery, Reception, Year 1 and Year 6 to complete the following survey by 9.00am on Friday 22 May.

Please note that pupils categorised as vulnerable or who have critical worker parents in Years 2-5 continue to be able to attend school, in our emergency provision. Registration for this can be arranged via the main school office:
GHPSoffice@maidenereleghtrust.org

As I have said before it is unlikely, we will be open for pupils on the 1st June, our intention is to gradually welcome pupils back in a staggered way when conditions are right both nationally and locally.

Please remember all of our letters can be found on our website here:

Thank you again for your patience and continuing positive words of encouragement, they really do help!

Kind regards,

Richard Ferris
