

10th December 2019

Dear Parents and Carers,

We are pleased to be able to offer you the opportunity to purchase SATS revision guides for your children at a heavily discounted rate. Normally retailing at £5.99, you are able to purchase the Achieve Revision Guides and Workbooks at a cost of £2.50 per book.

Attached is a copy of the order form you will need to order directly through Rising Stars. It can also be accessed via the following link. Please note the promotional offer has been extended to 31st December 2019.

<https://www.risingstars-uk.com/media/Rising-Stars/Revision/Achieve-Schools-to-parents-Flyer-no-crop-marks.pdf>

We have looked into a range of different guides and believe that these will be the most helpful in supporting your child to address any gaps in their learning and consolidate knowledge.

Last year, the children enjoyed using these books and found them very helpful. The children fed back that they wished they had them sooner so we have therefore brought the availability of these books forward.

We would recommend a Reading, Grammar and Maths book for each child and are happy to help you select the appropriate level. There is no Science test so although we encourage and promote scientific enquiry, purchasing the Science revision guide is not necessary unless you are keen to do so.

Please direct any questions towards your child's class teacher and we hope the children will benefit from the extra support provided by the revision guides.

Yours sincerely,

Year 6 Team
