

28th February 2020

Dear Parents and Carers,

Year 5 Science Oxford Workshop

As part of our Science and Design & Technology studies, Year 5 will be visited by **Science Oxford**, who will be running a **Carnival of Coding** workshop, which links with our topic this half term of The Fairground. This is a fantastic opportunity for the children to apply their learning of circuits, coding and fairgrounds. The children will have the chance to build their own working fairground rides!

Science Oxford will spend a whole day in Year 5, on **Thursday 26th March 2020**. There will be no change to the duration of the school day during the visit. We hope that your child will enjoy the workshop, building on our topic learning this half term.

To support us in providing this workshop, we kindly ask for a voluntary contribution of **£6.00** per pupil. Please, where possible, pay via ParentPay. If you haven't yet activated your ParentPay account, please contact the school office.

We would also like to invite you to share part of this exciting day with the children. If you would like to support your child in the construction of their working fairground, please join us between **2:30pm and 3:00pm**.

If you have any questions, please feel free to get in touch with the school.

Many thanks,

Year 5 Team

Year 5 Science Oxford Workshop – Thursday 26th March 2019

Child's Name: _____ Class: _____

- ☐ I/We will pay £6.00 towards the science workshop on ParentPay.
