

13th March 2020

Year 6 SATs Parent Information Meeting

Year 6 have been working so hard, showing great determination and resilience, and should be proud of their progress this year. The children have shown a positive growth mind-set in regards to their learning and revision. The SATs are approaching and are just one way in which the children's learning is assessed.

With this in mind, we would like to invite you to an information meeting so that we can explain what to expect during the SATs week and the weeks leading up to it.

The information meetings for will be held on **Thursday 19th March** in **The Training Room**. Please come to the school office and you will be shown where to go.

There will be two separate sessions to enable us to accommodate as many of you as possible. The first will be held at **2.45pm** and there will be a later one at **5.30pm**. There is no need to attend both meetings.

Please return the reply slip to indicate which session you will be able to attend.

Many thanks

The Year 6 Team
