To Parents and Carers of Year 5 Pupils

Dear Parents and Carers

We are exploring the possibility of offering some on-site education to our Year 5 pupils before the summer holiday.

This would be challenging for us to achieve but we are striving to offer something to those that need it, before the end of term.

To help us with our planning, I would need to know whether or not you would be interested in a place for your child, so that we can see whether we have enough space and staff to give a place to all those who have requested one. What we do know is that we do not have the resources to offer a place to every child in year 5, which is why we would need to know if you are interested or not.

To help us organise the re-opening for this year group, we ask that you let us know by emailing (ghpsoffice@maidenerlegitrust.org) or phoning our front office, as a matter of urgency.

Please email / phone with either:

Yes – I would like to be considered for a place for my Y5 child. Name of child:

No – my child will return to school in September. Name of child:

We recognise this is short notice, but would appreciate your response by Thursday 25th June, 9.00am.

We look forward to hearing from you and will contact parents who have indicated yes with an update. Please know this is still in the early stages of planning and there is a chance this option may not happen, we just want to help where we can.

Yours sincerely

Richard Ferris
Headteacher
