7<sup>th</sup> September 2020

Dear Parents and Carers

Welcome to the Year 5/6 team.

It has been wonderful to see the children back at school. We have been so impressed with how well they have settled into their classes and have adapted to the new routines in a safe and secure way.

This week we have focused on wellbeing and setting up our class routines including frequent handwashing procedures and other good hygiene measures. We have high expectations for all children and each class has agreed the expectations for behaviour for learning in their class so that they are ready to learn. In Year 5/6 this is SMART – please ask your child about it and they can explain what is expected.

PE lessons will start this week so please ensure that your child has a full PE kit in school. This will remain in school until half term.

Lunches are currently being eaten in the classroom and the children have adapted well to this new routine. Please can you order online if you wish your child to have a school lunch provided. Thank you if you have already set this up.

If you have messages for staff in the phase please email them to the school office or give your child a note to hand to their teacher.

We would like to thank you for all your support during the first week. We are looking forward to our new term together.

Kind regards

**Mrs C Ajewole**
