

# What is happening in Nursery this week?

28<sup>th</sup> September 2020

## Literacy

We will be learning the story of 'The Shopping Basket'. We will be learning about the different foods he buys on his journey.

## Maths

We will learning all about the number three, and making groups of three. We will be looking at the concepts of big and small by sorting fruits and vegetables.

## Topic

We will be food tasting different fruits and vegetables this week, and saying which ones we like and don't like. The children will be making fruit and vegetables using playdough.

We will have a fruit and veg shop for the children to take turns at being a shopkeeper. They will also have the opportunity to do some fruit printing.

## Messages

Please do let us know if your child cannot eat a particular fruit or vegetable during our food tasting activities.

## How can you help at home?

We have been reading books about sharing and kindness this week. We have looked at smiling and that when you smile, it helps you make friends!

Can your child draw a smiley face? If they want to bring it in, we can make a display with them!

What things make your child smile? What makes them happy?

**Thank you for your continued support with social distancing at drop off and collection times.**
