

# A platform for kids, parents and teachers to Learn the World.

**ALL FREE!**

## Teacher Resources

All fully aligned to **EYFS** and **KS1** curriculum (ages 3-7). Our comprehensive lesson plans include teaching steps, activity ideas, learning intentions and observation opportunities.

## Home Learning

Simple to use **home learning packs** covering a wide-range of environments, fun activities and hints on making life more sustainable.

## Game

A mobile game using creativity, numeracy and literacy. Create your own Earth Cub, explore environments and meet fascinating characters. **Learn the World!**
