

# Weekly Update

Friday 20<sup>th</sup> September

## ParentPay

If you have not already registered, your child will receive a letter with their activation code for ParentPay in their bag next week. Please take the time to sign up on [www.parentpay.com](http://www.parentpay.com)

ParentPay is a secure and convenient way to pay for trips, after school club, workshops and other activities and eliminates the need for children to bring cash into school.

If you need any help with ParentPay, please call into the school office.

## Growth Mindset

We encourage all children to have a positive attitude towards making mistakes. Mistakes should be used as tools to further learning and children should not be disheartened if they find something difficult. [Click here](#) to view a short video that explains the importance of mistakes and how they help to make our brains stronger!

## Jewellery Reminder

**Jewellery** is not permitted in school, except for one pair of **simple stud earrings**. Please do not get new ear piercings during term-time, as studs need to be removed for PE.
