Children's Mental Health Week

3rd-9th February 2020

During school next week we will be taking some time to talk with the children about this year's theme of 'Finding your Brave'. Bravery is different for everyone and can be about a variety of things such as sharing a worry, asking for help or finding positive ways to deal with things we find difficult. The children will spend some class time talking about the subject in a way that is appropriate for their age group.

If you would like to find out more about Children's Mental Health Week, please visit the [Children's Mental Health Week Website](#). If at any time you have any concerns and would like to make an appointment with Mrs Watson (SENCo), please get in touch with the school office.

Punctuality

Recently, we have seen an increase in the amount of children coming in late through the office. Please ensure your child is in school by 8.50am to avoid them missing out on valuable learning time.

House Points

The winners of this week's house point competition were **AMBER** with a total of 128 points.

Well done to everyone in **AMBER**!

Attendance Stars

Classes with the highest attendance this week:

Vehicles on the School Site

We are unfortunately still having a lot of parents driving on to the school site to drop off children who are late in the morning. The spaces outside the main school reception are for use by disabled visitors and not for picking up or dropping off children.
