

# What is happening in Nursery this week?

2<sup>nd</sup> November 2020

## Literacy

Our story this week is Owl Babies. The children will be learning some actions to help them retell some parts.

## Topic

The children will be learning all about 'My Day and My Night' over the next few weeks. We will be looking at morning and evening routines such as breakfast and getting ready for bed. We will be enjoying our learning about which animals come out at night. We will also be making our own firework pictures, and a pine cone owl!

## Maths

We are looking at the number one again this week, and the children will be learning some new songs all about the number one!

They will be going on a 'one' treasure hunt, finding groups of one around the garden!

## Notices

As the days are getting a bit more chilly, you may wish to send your child in with a warmer coat. The children love being outside as much as possible!

If you have any spare plastic jugs, pots and pans, or utensils such as wooden spoons laying around at home, we would happily rehome them in our role play kitchen!

*Thank you!*

## Messages

Please ensure that you are social distancing at drop off and collection times. Please keep at least two metres away from other families. Once you have dropped your child off at the gate, please walk back around the cones and out of the gate, maintaining a safe distance of two metres.

**Social Distance  
Stay 2m Apart**
