School Closure - Update

We would like to take this opportunity to thank all our parents and carers for their understanding of the precautions taken to close the school this week. Maiden Erlegh Trust are dedicated to the wellbeing of all their students and the decision to close was taken as a precautionary measure to help protect those most vulnerable.

Attendance Reporting

If your child is absent from school for any reason, it is essential that you call in and report their absence before 8.30am every day they are not in school. You can call at any time and leave a voicemail by pressing Option 1.

Questionnaires

You should have all received an email with information regarding our annual school parent survey. We would be grateful if you would please take a few minutes of your time to answer these simple questions. Your feedback is essential to us so we can improve areas where improvement is needed, and celebrate the things that need to be celebrated. The survey can be found here <https://www.surveymonkey.co.uk/r/GHPSParents2020>

If you have any problem with the link or would like a hard copy of the survey, please get in touch with the school office.
