## Hand Hygiene and Moisturising

We have noticed that some adults and children are getting dry skin due to the advice to increase hand-washing. We would like to reassure parents that the soap the children use in school is gentle and child-friendly and it is the increased washing and not the soap that is causing this.

We recommend that you encourage the children to use a moisturising cream in the morning before school and in the afternoon when they return home to help keep their skin healthy whilst our hands get used to more regular hand washing.

## House Points

The winners of this week's house point competition were **RUBY** with a total of 242 points.

Well done to everyone in **RUBY**!

## British Science Week

The children in Years 1-6 have had an assembly this week about British Science Week. The focus this year is diversity in science and the children have been invited to enter a poster competition with the theme 'Our Diverse Planet'. Entries should be given to Mrs Ajewole by Friday 27<sup>th</sup> March

# TRAIN TO TEACH EVENING

Tuesday 31 March 2020 19.00 – 20.00

Maiden Erlegh School, Silverdale Road,  
Earley, RG6 7HS

If you have a degree, join us at our Train to Teach evening and find out about the School Direct route into teaching and train at a primary or secondary school in the Reading area.

Come and talk to our existing trainees and NQTs and find out about funding and how to apply.

We work with the University of Reading to provide high quality training and support. Pass rates are high and our schools often retain trainees through to NQT and beyond.

Register for our event by emailing [teachingschool@maidenerleghschool.co.uk](mailto:teachingschool@maidenerleghschool.co.uk) or get in touch via one of the options below.
