

# GHPS Update

Friday 26<sup>th</sup> June

Dear Parents and Carers,

As we reach the end of another week, it has been wonderful to hear about all you have been achieving both in school and at home. Please keep sending in pictures of your amazing learning at home.

In particular I would like to mention:

**Kacey** (Y6) and **Kayleb** (Y6) who have been really brilliant this week at trying their best in every activity, **Caitlyn** (Y6) for settling back into school routines so well and for approaching all tasks positively. **Adit** (Y5) has been keeping very active with lots of cycling, go, go Adit! **Evelyn** (Y4) for consistently trying to improve her Maths skills on Mathletics. **Ynette** (Y3) for her fabulous landscape painting in the style of Hockney and showing some good knowledge of perspective. **Mary** for her imaginative DT work, making a model of a classroom for her dolls and teaching them all about David Hockney and how to draw using perspective; **Laura** (Y3), **Mollie** (Y3) and **Harry** (Y3) for organising and running fun word activities during Zoom calls, showing GREAT initiative, organisation, problem solving and communication skills. **Sophie** (Y2) for consistently reading her books on Bug Club, **Shelbie** (Y2) for some fantastic learning about 2D and 3D shapes, **Leo** (Y2) for super handwriting practice and addition with two-digit numbers. **Sebastian** (Y1) for his excellent golf swing and **Skyla-Rose** (Y1) for still completing her maths activities at home, whilst still coming into school. **Megan** (Y1) for writing a brilliant new version of 'The Zoo Vet'. In the Reception classes **Thomas** and **Arnas** have both been trying very hard with their writing, which is so important, well done both of you!

Miss Baillie has also asked to give a special mention to all the children in her pod at school this week who showed amazing teamwork and resilience in helping to de-weed the wildlife area! Fantastic work everyone!

Finally, to all children who have returned to school, a big well done for adjusting to the new rules and changes to the school environment. Children have been focussing on their reading, writing and maths and have been working together, showing GREAT teamwork.

If you have any questions or concerns, please don't hesitate to get in touch by emailing the school office: [GHPSOffice@maidenerlegitrust.org](mailto:GHPSOffice@maidenerlegitrust.org)
