

What is happening in Nursery this week?

16th November 2020

Literacy

Our story this week is 'The Tiger who came to tea'. We will be using props in the home corner to retell the story.

Maths

We are looking at the number three this week.

We will also be developing the concept of big and small by ordering different sized objects during exploring time.

Topic

The children are learning all about 'My Home' this week. The children will be learning about the things we find in different rooms in our houses. We will also be looking at different types of houses.

We will also be having a Tiger tea party on Friday, with some biscuits and fairy cakes!

Home Learning

Can you encourage your child to look at the different types of houses you can see if you are on a walk? Can they name a house and flat? Can you count the stairs in your house together?

How many windows and doors can they count?

Messages

Please ensure that you are social distancing at drop off and collection times. Please keep at least two metres away from other families. Once you have dropped your child off at the gate, please walk back around the cones and out of the gate, maintaining a safe distance of two metres.

**Social Distance
Stay 2m Apart**
