Year 5/6 Information – End of Term notice

Dear Parents and Carers,

It has been a busy term and we commend the children for how hard they have worked. They have adapted to the challenges that returning to school this term has presented and we are all immensely proud of how successfully they have done this. Throughout the term they have shown enthusiasm towards their learning and made great progress as a result.

All the children have enjoyed the festive activities this week and are looking forward to their well-deserved break.

We are always keen to reward those children who read regularly at home and have this term introduced a 'Golden Ticket' reward scheme. The winners of a book and certificate this term are as follows:

Tigers – Scarlett

Panthers – Olivia

Lions – Reggie

We have also this week celebrated those children in Year 6 who completed additional learning tasks over half term. Many children have also diligently attended Third Space Learning for maths tuition and morning maths booster groups – well done.

An additional homework reward for those who regularly complete learning tasks at home will take place at the start of next term.

Staff are always willing and happy to share any concerns you have about your child's time at school or educational progress. Should you wish to discuss a concern regarding your child, please remember, an appointment should be made via the school office and your child's class teacher will call you at their earliest convenience.

Please do talk with us before concerns grow, on very rare occasions some parents let issues build and then school staff are spoken to in an unkind way. We all recognise that the last few months have been challenging for everyone and emotions for some are high. However, it is important that staff are treated with respect and courtesy at all times.

We wish you and your family a restful holiday and we look forward to seeing you all in 2021.

Many thanks

Mrs Ajewole and the Year 5 and 6 Team
