

Nursery Home Learning Newsletter

3rd February 2021

Home Learning Packs

We update our Google Classroom every Wednesday for the week.

If for any reason you are unable to print the activities at home, please email the school by Thursday each week, and then those packs will be placed in a box marked 'Caterpillars' on the far left table outside main reception.

Thank you for your understanding and patience.

Our story of the week is 'Whatever Next!' by Jill Murphy.

The link to the story can be found on our Google Classroom page.

Can your child tell you who their favourite character is?

'Whatever Next!' Home Learning Ideas

Have a go at making a rocket for Baby Bear! See what materials you have at home and create your very own rocket. You can upload photos onto our Google Classroom page!

When Baby Bear lands on the moon, he enjoys a picnic with owl. They enjoy chocolate biscuits, sandwiches and juice. Create your own picnic at home and pretend you are on the moon like him!
