# Celebrating Learning during Lockdown

## Upper Key Stage Two – Years 5 & 6

Dear Parents and Carers

As we approach the end of our remote learning we just wanted to reiterate our thanks to you all for everything you have done to support the children with their learning during this challenging time. Together we have overcome many challenges from successfully navigating Google Classroom and Zoom to at home PE sessions!

We are delighted that the children will be re-joining us on Monday morning. From speaking to the children during registration, it is clear they are excited to return to some sense of normality. Additional information about the return to school has been sent by the School Office so please read through these details.

Our focus for the first week will be welcoming the children back, relaunching our Behaviour for Learning and spending time working alongside others, both in the classroom and on the playground.

As mentioned last week, we have lots of exciting activities lined up for the children and aim to make the next four weeks as enjoyable as possible whilst supporting the children to catch up with their learning.

### Arrival and Collection times for Years 5 and 6

**Arrival times for Year 5&6:**

8.40 to 8.50am

**Collection times for Year 5&6:**

3.00 to 3.05pm

### PE

Our PE days remain unchanged and children should bring their kit with them on their first day back.

- Tigers - Monday and Thursday
- Lions - Monday and Tuesday
- Panthers - Tuesday and Thursday

Please ensure that children have an appropriate PE kit along with a jumper and trainers. The field has become very muddy with all the rain.

**Please remember that classrooms will be well ventilated in line with our risk assessment. Children are encouraged to wear layers under their uniform and make sure they bring their school jumpers!**

## **Diaries and home learning**

It would be helpful if your child could bring with them their home learning diary. We will be handing out log in details for the MyOn reading website which will need to be stuck in.

If your child has completed any home learning tasks on paper during the remote learning time and would like to bring this in for their class teacher, please encourage them to do so.

This will be the final phase newsletter for the time being with weekly whole school ones resuming when we return to full, onsite teaching. I hope you have found them helpful.

Please do continue to contact me directly if there is anything additional we can support you with as the children return.

Kind regards

**Mrs Ajewole**  
**UKS2 Phase Leader**
