

# What is happening in Nursery this week?

15<sup>th</sup> March 2021

## Literacy

We are reading the story of 'Goldilocks and the Three Bears' this week. We have some props for the children to retell the story themselves.

## Maths

We are looking at the number two this week.

The children will be building the characters from number blocks using the mega blocks.

We will also be singing some of our favourite number songs.

## Topic

The children will be learning and developing their understanding of prepositional language by putting teddy bears next to, under or on top of objects.

The children will also be looking for the hidden teddy pictures in the garden and counting how many they find.

They will also be using the craft area to make a bear from different materials.

## Welcome!

We are delighted to welcome our new children and their families to our Nursery!

The children have settled so well, and have been busy making new friends already. Our older children have shown such kindness and care by helping our new children when putting the toys away, or finding their coat peg! We are incredibly proud of all of them!

## Messages

Please ensure that you are social distancing at drop off and collection times. Please keep at least two metres away from other families. Once you have dropped your child off at the gate, please walk back around the cones and out of the gate, maintaining a safe distance of two metres.

*Thank you!*

**Social Distance  
Stay 2m Apart**
