

# What is happening in Nursery this week?

22<sup>nd</sup> March 2021

## Literacy

We are reading the story of 'We're Going on a Bear Hunt' this week. The children will be learning some actions to help them retell the story.

## Maths

We are looking at the number three this week.

The children will be making groups of three objects, and comparing different groups of one, two and three.

We will also be singing some of our favourite number songs.

## Topic

The children will be developing their scissor control by cutting and sticking their own bear.

The children will also have the chance to explore the small world tray with characters from our story.

We will also be making a story map of the main parts of 'We're Going on a Bear Hunt'.

## Other learning...

We will be looking at circles around the room, and finding lots of objects that are circular.

The children will also be using containers to pour the water, and developing language such as pouring, empty and full.

We will be developing listening skills by reading lots of stories together!
