

# What is happening in Nursery this week?

29<sup>th</sup> March 2021

## Literacy

We are continuing reading the story of 'We're Going on a Bear Hunt' this week. The children will be learning some actions to help them retell the story.

## Maths

We are looking at the number four this week.

The children will be looking for the matching Easter eggs around the garden, and counting how many they find.

We will also be singing some of our favourite number songs.

## Topic

The children will be making some Easter cards this week, and we will be talking about the things we can see as Spring starts.

We will talk about new beginnings, such as flowers growing, and the days getting warmer and sunnier.

The children will also be designing their own Easter egg by using different materials in the craft area.

## Other learning...

We will be looking at squares around the room and finding lots of objects that are square shaped.

The children will be threading coloured pasta and we will be talking about making patterns with them.

The children will also be exploring the coloured rice and making some Easter patterns by using different tools.

Please let us know if you would like any help with referring your child to the Speech and Language drop in service. They can help with speech delay, as well as speech sounds, by offering advice and Speech and Language Therapy.
