

Weekly Update

Friday 30th April

Helping your child succeed at school

The weeks are whizzing by and we're seeing lots of amazing learning throughout the school. If you have a child in Years 1-6, you should have now received your child's curriculum web for this term and they are also available on our website [here](#). This enables us to share with you what the children will be learning at school, to strengthen our home-school partnership throughout their learning journey. If you have any questions or concerns about your child's learning, please speak with their class teacher, we are always here to help.

Please keep up with the basics at home – reading, spelling, times tables – if you can do a bit each day your child will be so much more confident in school. Please help them to succeed in school.

Thank you for your continued support to help keep us COVID free. We must be one of the least affected schools in the UK and I'm so grateful you have helped keep us open.

The main thing we ask right now is that you wear a face covering when on site as we have over 300 people crossing paths each day and some crowding and bunching will occur. Please keep this up for a while longer. Wearing a mask will stop a child being sent home unnecessarily – please play your part.

Please remember it is essential we stick to the rules so that we are able to protect each other. The latest guidance can be found at: <https://www.gov.uk/guidance/covid-19-coronavirus-restrictions-what-you-can-and-cannot-do>

Don't forget that Monday 3rd May is a Bank Holiday, so we're looking forward to seeing you all on Tuesday 4th May. Enjoy the long weekend!

Kind regards

Richard Ferris
Headteacher

Thinking and Learning Together
Achieving Forever

Attendance Stars

Classes with the highest attendance this week:

1st Place – Hedgehogs (98.3%)

2nd Place – Foxes (98.0%)

3rd Place – Falcons (97.9%)

GREAT Learning!

Brass in Year 5

The children in Year 5 began their brass lessons with Berkshire Maestros this week. They made a very promising start and we are looking forward to hearing their skills improve in the coming weeks.

Follow us on Twitter

Please remember to follow us on Twitter, where we will be regularly posting updates and pictures about the GREAT learning taking place in our school: <https://twitter.com/MEGreatHollands>

Worried about a child?

It is everyone's responsibility to act if they feel a child is being put at risk or is not being cared for properly.

If you have concerns about a child, please get in touch with a member of our safeguarding team in school, any conversations will be dealt with confidentially and sensitively. Further details can be found on our [Safeguarding and Child Protection](#) page.

Alternatively, you can report concerns to Children's Social Care directly from the [Bracknell Forest Child Protection Page](#).
