

What is happening in Nursery this week? 26th April 2021

Literacy

We are reading all about Road safety in Nursery this week. We are learning to retell parts of the story and act them out.

Topic

The children have started their new topic of 'Journeys' and we are looking at road safety this week.

We are setting up a zebra crossing for them to practice waiting and holding a grown-up's hand.

You could take your child and practice crossing a real one to help develop this important skill.

Maths

We are looking at the number two this week.

We will also be developing some number concepts such as more and less by sharing out objects.

The children will also be helping set up snack by counting the milk and cups.

Other information

The children have settled in so well since returning after the Easter break.

They are showing some GREAT learning during their exploring time.

As the days are getting warmer, please ensure your child brings in a named water bottle and a hat for outside play.

Thank you for continuing to help keep our school safe by following the current social distancing guidelines. Please can we remind all adults to wear a face covering when dropping off and collecting children from Nursery.
