

What is happening in Nursery this week?

4th May 2021

Literacy

We are reading the story of Mr Gumpy's outing this week. We will be encouraging the children to retell parts of the story using small world figures.

Topic

We are continuing our Topic of 'Journeys' this week, and we will be looking at different types of transport, and what makes them different from each other.

The children will also be looking at the concept of wet and dry, as the animals in our story this week get wet from falling into the river!

Maths

We are looking at the number three this week.

We will also be developing some mathematical language such as 'full' and 'empty' with containers in the water tray.

The children will be using shapes to make pictures and we will be looking at how many sides the shapes have.

Other information

We serve the children a piece of fruit each day for snack.

Sometimes they don't like a particular fruit on offer, so please feel free to pop a piece in their bag from home, so they can have this at snack time if they prefer.

Please be reminded that children should not be climbing on the garden equipment at the end of the session. Thank you for your co-operation.

Thank you for continuing to help keep our school safe by following the current social distancing guidelines. Please can we remind all adults to wear a face covering when dropping off and collecting children from Nursery.
