14 May 2021

Dear Parents and Carers

As part of our unit 'Did the loss of the cacao bean contribute to the collapse of the Mayan Empire?' we are planning to have a day of making a selection of our very own chocolate squares! The children will be working in small groups to make chocolate bars with a variety of ingredients as well as tasting traditional Mayan hot chocolate and comparing to our modern-day version.

This experience incorporates all of our science learning over the term as we will watch chocolate melt and then re-freeze into a solid tasty treat. Our chocolate day will be **Wednesday 26 May 2021.**

To help cover the costs of all the ingredients, we are asking for a donation of **£1.00** per child. This can be paid to your child's teacher at your earliest convenience.

We would also be very grateful if anyone has any ice cube trays we could borrow for the day. Please send them in labelled with your child's name so we can make sure they are returned to you.

We hope that your child will enjoy this experience. Please let us know if your child has any allergies.

Please return the permission slip by **Friday 21 May.**

Many thanks for your support.

Miss L Hawkins and Miss L Baillie

Chocolate Making Experience Permission Slip

I give permission for my child to participate in the Chocolate Making experience on Wednesday 26 May.

My child is in class

My child is allergic to
