

What is happening in Nursery this week?

7th June 2021

Literacy

Our story of the week is 'Here come the Aliens!'. The children will be learning to retell it by using puppets and making a story map.

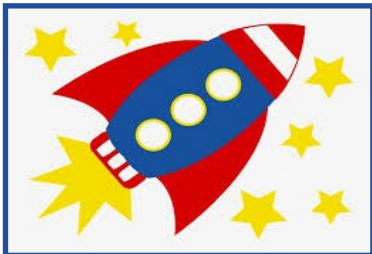

Topic

We are continuing our Topic of journeys this week, and learning all about Space!

We will be blasting off to the Moon by pretending we are in a rocket made from chairs and loose parts.

The children will also be designing their own rockets, and using craft materials to make it.

Maths

We are looking at the number seven this week.

The children will be using Numberblock Seven to help them collect seven objects and help them to recognise it.

Other information

As the weather is starting to warm up, please can we ask for children to bring a named hat and a water bottle from home.

We would ask parents to also apply sun cream before Nursery starts, to help protect the children when they are exploring outside during the morning.

**Social Distance
Stay 2m Apart**
