

# What is happening in Nursery this week?

14<sup>th</sup> June 2021

## Literacy

This weeks story is 'The Man on the Moon'. The children will be learning all about the different jobs that he does. We will also be looking at objects that start with the same sound.

## Maths

We are looking at the number eight this week.

We will be solving some simple number problems up to eight, and counting jumps, claps and objects.

## Topic

We are continuing our Topic of 'Space', and this week the children will be making their own rocket using craft pieces.

We will also be developing their concept of day and night, and looking at the sun and moon.

The children will be using torches to recreate the moon and stars, and why we see them when its dark.

## Other Information

Please refrain from allowing your child to use the equipment at the back of the garden at the end of the session.

Please ensure that your child has sun cream applied before Nursery, and bring in a named sun hat and water bottle.

Thank you for your continued support.
