

What is happening in Nursery this week? 21st June 2021

Literacy

This weeks story is 'Ten little pirates.' The children will be able to act out parts of the story, and also choose their favourite part. We will be developing the children's understanding of how and why questions.

Maths

We are looking at the number nine this week.

The children will be having a go at doing some mark making in the garden, and making a nine using chalks, sand and water painting.

Topic

We are introducing the children to the next part of our topic which is Pirates.

The children will be making their own treasure maps and going on a treasure hunt around the garden to find golden coins.

The children will also be looking at what things float and sink in the water tray.

Other Information

Please ensure that your child has sun cream applied before Nursery, and bring in a named sun hat and water bottle.

Please can masks be worn at drop off and collection times, and can we ensure that we are all maintaining a 2-metre distance at all times. This will help ensure we keep our school as safe as possible.

Thank you for your co-operation.

**Social Distance
Stay 2m Apart**
