

8 July 2021

Dear Parents/Carers

As for all Year 6 groups, we want to make the last week at Great Holland's as special as possible for the children. They have worked hard this year and overcome so many challenges and we want to reward their perseverance and determination.

Please find below a list of activities we have scheduled for the final week.

**Please remind your child: Participation in the planned activities is dependent upon GREAT behaviour. Where behaviour expectations are not met, children will not be able to participate in all of the planned events. Maintaining those excellent expectations until the very end is essential.**

#### GENERAL INFORMATION:

##### **Snacks and treats**

There are a lot of fun activities planned for the children and it is always nice to make the week a little bit more special with some extra treats. Therefore, if you would like to send in some additional treats for the children to enjoy that would be appreciated. Please can these be brought into school on **Tuesday 13 July** for our Year 6 picnic.

As a healthy eating school, we would like to encourage and promote the children bringing in healthier snacks and there will be a prize for the most creative.

Some suggestions include:

- Popcorn
- Fruit platters
- Vegetable crudité's
- Baked crisps
- Homemade cakes/muffins
- Sugar free squash

Please do not send in fizzy drinks or sweets or nuts.

##### **Graduation**

Unfortunately, inviting parents to a 'graduation' assembly would break the current restrictions, even if it is held outside. We are looking into our options and if we find a solution we will inform you straight away.

##### **Shirt signing**

It is common for children to get their shirts signed by other children and staff on the last day. A spare must be brought into school for your child to participate in this activity. Shirts the children are wearing cannot be signed.

### Water Day

The Water Day is a favourite of our Year 6 children at Great Hollands where huge paddling pools are inflated and toys are provided for the children to play with. If the weather is warm, please apply factor 50 sun cream to your child before school and send them in with a sun hat.

Below we have provided you with a list of events and the days they are happening along with what the children need to bring and wear to school each day during the last week. I hope you find it helpful.

Thank you for your continued support and please do ask if you have any questions.

Yours sincerely,

Mrs Ajewole and the Year 6 Team

### Final Week Timetable

Day	Activity	What do I need to bring in?	What do I need to wear?
<b>Monday 12 July</b>	Organised sporting activities	An additional drink and extra healthy snack.	Sports clothes
<b>Tuesday 13 July</b>	Outdoor cinema (weather dependent!) Pizza making	Any toppings you would like to put on your pizza in a named food bag.	Uniform as normal
