

12 July 2021

Dear Parents/Carers

Thank you for supporting your children with remote learning today; we have been impressed with how many children were able to complete learning activities.

We are ready to invite children in Year 5 and 6 back into school from tomorrow morning.

Unfortunately, those children who have been asked to self-isolate will need to continue to do so and not attend school this week.

So that Year 6 can continue with the transition programme we have prepared for them, we have adjusted groupings to keep Year 5 and Year 6 separate.

From Tuesday 13 July, your child will need to enter the school through the following classroom doors:

Year 5 (Mrs Ajewole's maths group) – Lions classroom

Year 5 (Mr Lee's maths group) – Panthers classroom

If your child is normally in Mr Phillip's maths group, please ask them to enter through the classroom they worked in last week.

Year 6 – Tigers classroom

The children will arrive and leave from these classrooms for the rest of the week.

Year 5 – Meet your teacher

The decision has been made to postpone this event until September. In the reports, which will be sent home tomorrow, your child's new teacher has been identified. The children know the adults in the Year 5 & 6 team well and we will ensure that they have the opportunity to get to know them in September.

Year 6

We have had to make a few adjustments to the timetable for this week's activities. The details are below – please use this timetable to plan and prepare what your child needs each day.

Our main aim for these final few days is to make them as safe and enjoyable as we possibly can. Thank you for your continued support and please do ask if you have any questions.

Yours sincerely,

Mrs Ajewole and the Year 5 & 6 Team

Year 6 Only - Final Week Timetable

As much as we want to make these final few days at Great Hollands as special as they can be, the priority is keeping the children safe. Please support us in communicating to your child that cancelations are out of our hands if we are in a position where we need to cancel an event at the last minute.
