

16 July 2021

Dear Parents and Carers

Summer Holiday Learning Support

We want to provide as much support for you and your children over the summer holiday as possible. Each child will be provided with an envelope of work activities suitable to their year group. These activities are designed to be done over the six weeks rather than all at once. However, it is your choice how you wish to support your child with these.

The activities are optional but as the children have missed out on so much over the past year, we strongly encourage them to continue to learn and develop their skills.

Mathletics and Ten Town

In addition to the work pack, we encourage you to help your children log onto Mathletics and Ten Town online platforms using their login details to boost their understanding of simple mathematical concepts and principles through practising their counting, subitizing and problem-solving skills.

RWI Phonics Links

To help you support your children's reading from home, please visit the phonics links, which we will be sending to your email, containing RWI online sessions. Please keep reading with them and reading to them to help further develop their reading, language and listening skills.

Summer Reading Challenge

Bracknell Library Service launched the Summer Reading Challenge 'Wild World Heroes' on 10th July. This is a great way to keep your child motivated and engaged in reading over the summer, as children can take part online or by visiting their local library and earn amazing rewards for taking part. Please follow the link below to visit the website and take part in the challenge: www.wildworldheroes.org.uk.

Learning activities will also be uploaded onto Google Classroom. Children will remain in their current online class until we return in September, when they will join their new classes as they continue to use Google Classroom to support their learning journey.

We would like to thank you very much for all your efforts to support your children's learning throughout this challenging year and wish you all a very happy and restful summer holiday!

Yours sincerely

Ms N York
Deputy Headteacher and EYFS Phase Leader
