

16 July 2021

Dear Parents/Carers

Summer Holiday Learning Support

We want to provide as much support for you and your children over the summer holiday as possible. There will be learning activities uploaded onto Google Classroom, which the children will be able to access until the end of the summer holidays.

These activities are designed to be completed over the six weeks with a few tasks done regularly rather than all at once. However, it is your choice how you wish to support your child with these.

The activities are optional but as the children have missed out on so much over the past two years, we strongly encourage them to participate with as many tasks as possible.

MyOn Reading & Mathletics

We also encourage the children to log onto MyOn to practice reading and they can also access Mathletics to practice their core number skills.

MyON - <https://www.myon.co.uk/login/>

Mathletics - <https://login.mathletics.com/>

Summer Reading Challenge

Bracknell Library Service launched the Summer Reading Challenge 'Wild World Heroes' on 10th July. It's a great way to encourage reading over the summer and children can take part online or by visiting their local library and earn rewards for taking part. The website for the challenge can be found at: www.wildworldheroes.org.uk. Details of this challenge have been shared with children in their classes this term.

We hope that they will continue to access their learning over the summer to help them as they progress into Year 7.

Yours sincerely
Mrs Ajewole
UKS2 Phase Leader
